

# LightKeepers

A PUBLICATION FOR LCM VOLUNTEERS

ISSUE 3

MARCH 2010

## LightKeepers Update

Mark your calendars, **YOU** are invited to celebrate with LCM at the **Grand Re-opening Open House** on **March 27 from 10-2**. The building will be open for tours and the ministry areas will all be represented so you can see all the amazing things God is doing at LCM. There are so many exciting new opportunities for you to get involved.

\*If you are interested in learning more about any of the opportunities below, please contact Lauren at 832-661-2410 or [Lauren@lighthousechristianministries.info](mailto:Lauren@lighthousechristianministries.info)

### **Pregnancy and Parenting Support Center: Opportunities for Individuals**

We are extremely excited about a new partnership we are creating with the Pregnancy and Parenting Support Center which is located in Texas City. We will begin offering services out of LCM's building on Thursday's from 9am-3pm. The center offers an "Earn as you Learn" program where pregnant mothers or mothers of children under 3 can participate in learning activities and earn points to purchase baby necessities such as diapers and formula. There are several volunteer opportunities which include administrative work, counseling with pregnant moms, and helping teach or review class material with mom's.

### **The Community Garden: Opportunities for Groups and Families**

The next serve opportunity for the community garden is a planting day on March 6. If you, your family, or your small group/ministry is interested in learning how they can participate in this program or to be added to their newsletter, please contact Brandon Cupitt at [brandoncupitt@yahoo.com](mailto:brandoncupitt@yahoo.com), 832-864-2312.

### **Home Repairs: Opportunities for Groups**

Currently we have several clients that are in need of home repairs and do not have the skills or resources to complete them. If you have a group of handy people, this might be a perfect serve opportunity for them!

### **GED Teachers Needed: Opportunities for Individuals**

LCM is offering GED tutoring out of our building. Certified teachers are needed to help with this tutoring.

### **Paper or Plastic?: Opportunities for Individuals**

Paper grocery bags are a much needed item for LCM's food pantry. Next time you are at the grocery store, please ask them to pack your groceries in paper bags and think about collecting those and donating those to our food pantry! Plastic bags can also be donated for use at our Food Fairs and 2nd Saturday's.

### **Drivers Needed: Opportunity for Individuals**

Often LCM has clients that have very limited transportation and we need to find someone to transport them to a doctor, a shelter, etc. Also, periodically LCM has to pick up large quantities of food from the Houston Food Bank, someone willing to pick up and unload this food is a need for the ministry. Please contact Lauren if you are willing and able to be a standby driver for the ministry.
